. You are staff-member of one of the EMMA Asia partner university:

you may get full support to spend one month in one EMMA European partner universities for improving your personal skills and your knowledge of the European Higher Education system.

★ EMMA Target Beneficiaries

The target beneficiaries of EMMA are:

Target 1: students and academic staff registered in one of the universities members of the partnership

Target 2: Asians of the countries of the partnership registered at a Higher Education Institution NOT included in the partnership or having obtained a degree or equivalent from an institution in their country (which may be a partner or not). This includes the possibility of providing mobility opportunities to nationals of the Asian countries in the partnership who are working in public administration and public and private enterprises

Target 3: Asians of the countries of the partnership in vulnerable situations. It may cover mobility for students holding the respective nationality and:

- having a refugee status or asylum beneficiaries (international or according to the national legislation of one of the European recipient countries), or
- being able to prove that they have been the object of unjustified expulsion from university on racial, ethnic, religious, political, gender or sexual inclination reasons, or
- belonging to an indigenous population targeted by a specific national policy.
